

Dear Charitable Friend,

Ovarian cancer is often called the “the silent killer”. The symptoms often go unnoticed or they are often mistaken for other conditions or diseases. There are no screening tests for ovarian cancer which results in many cases being diagnosed in the later stages. In 2023 an estimated 13,720 women lost their lives to ovarian cancer.

I am writing to you to request a Sponsorship Donation for our 9th Annual Ride for Hope Fundraiser. Ride for Hope is an all Volunteer charity. All money raised is given to local ovarian cancer patients and a portion to the National Ovarian Cancer Coalition, who leads the fight against ovarian cancer in the U.S. by supporting survivors and caregivers, raising symptom awareness and funding research for a cure.

The 9th Annual Ride for Hope Ovarian Cancer Awareness Motorcycle Ride and Party will be held on Sunday, July 14, 2024. Proceeds from this event will be given to three local families from Schaumburg and Addison, women battling ovarian cancer with financial hardships. Monies raised will help pay medical bills, clinical trials not covered by insurance, prescriptions, and cover lost wages during treatments.

We have an exciting event planned for 2024— an escorted 50+ mile Scenic Motorcycle Ride with Survivors who are able, to ride on the back seats, Live Music, Food Buffet, Silent & Live Auctions, Raffles, Wine Pull, and a visit from the LCC K-9 Comfort Dog Ministry at the After Party. A fun filled day for sure. We will also again be hosting our “our Teal Survivor Ribbon”.

I am hoping we can count on your support. Please review the attached letter describing our Sponsorship Tiers.

Join us in our passionate mission to spread awareness of the symptoms of ovarian cancer, to help improve the quality of life for this year’s recipients, and to provide meaningful financial assistance to them. We are looking forward to your participation to make 2024 our most successful event yet!

Gratefully,

JuliAnne Scully, Founder and 40 year stage 3 ovarian cancer survivor
